Dear Professor Profiroiu

I am delighted to accept your invitation to become a member of the Advisory Council of the recently created Faculty of Public Administration and Management at the Bucharest Academy of Economic Studies.

In the last six years, our Faculties have collaborated intensely in teaching and research, for example in international projects on private-public partnerships, thematic conferences and seminars in Bucharest and Melbourne, as well as teaching in such areas as human resource management in the public sector, and research methods.

Our academic staff specialising in public administration and management, who have visited the previous Department of Public Administration and Management and are familiar with its programs, are welcoming the creation of the new Faculty and wish you every success in your new role as Dean.

I am happy to support the activities of the new Faculty in any way I can, now and in the future, as I strongly believe this Faculty will play a key role in shaping the future opinion leaders and decision makers in Romania's public administration.

If you require any further information, please do not hesitate to contact me on **+61 3 9903 4069** or at Cristina.Neesham@monash.edu.

With best wishes,

A handwritten signature in cursive script that reads 'C Neesham'.
